**PCS-3000 Series Proofer Control Systems**

**PCS-3000-R Relay Output Proofer Control System for driving Solenoid Valves**

Pre-wired in a fiberglass NEMA 4X enclosure 16" x 12" x 8" with see-thru door. Controllers and indicator lights mounted on swing-out door inside of cabinet. Price includes two (2) ¼ DIN controllers, combination temperature/ humidity sensor, two (2) snubbers, and 20 ft long sensor cable. If you have more than 2 solenoid valves order 1 additional snubber for each valve.

**\$4,175**

**PCS-3000-MA 4-20 Milliamp Output Proofer Control System for driving Proportional Motor or Pneumatic Valves**

Pre-wired in a fiberglass NEMA 4X enclosure 16" x 12" x 8" with see-thru door. Controllers and indicator lights mounted on swing-out door inside of cabinet. Price includes two (2) ¼ DIN controllers, combination temperature/ humidity sensor, and 20 ft long sensor cable. Order I to P converters separately (below) if required.

**\$4,175**

**CAT# IP-500**

I to P (current to pneumatic) transducers for operating 3-15 psi valve with the PCS-3000-MA control System. Specify Quantity – (at least 2 required).

**\$395**

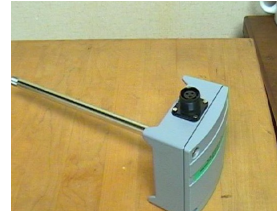

**Cat# 1006-RC Snubber** (order 1 additional snubber for each valve over 2)

**\$25**

**Suggested 3000 series spare parts for the R (relay) Control System:**

- 1. Model V-2001-ST sensor/transmitter

**\$895**

- 2. Model 3001-F-R (relay output) temp controller

**\$295**

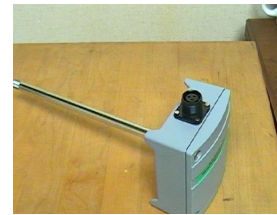

- 3. Model 3001-RH-R (relay output) rH controller

**\$295**

**Suggested 3000 series spare parts for the MA (milliamp) Control System:**

- 1. Model V-2001-ST sensor/transmitter

**\$895**

- 2. Model 3002-F-MA (4-20 milliamp output) temp controller

**\$295**

- 3. Model 3002-RH-MA (4-20 milliamp output) rH controller

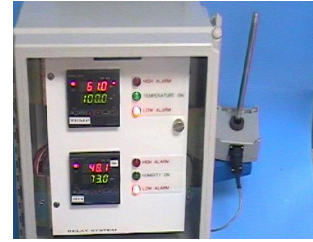

**\$295**

**PCS-2000 Series Proofer Control Systems**

**PCS-2000-R Relay Output Proofer Control System for driving Solenoid Valves**

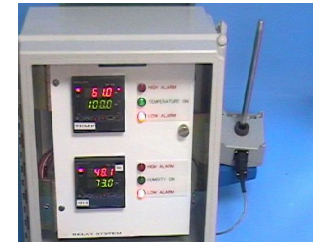

Pre-wired in a fiberglass NEMA 4X enclosure 16" x 12" x 8" with see-thru door. Controllers and indicator lights mounted on swing-out door inside of cabinet. Price includes Two (2) ¼ DIN controllers, combination temperature/ humidity sensor, two (2) snubbers, and 20 ft long sensor cable.

**\$4,405**

**PCS-2000-MA 4-20 Milliamp Output Proofer Control System for driving Proportional Motors or Pneumatic Valves**

Pre-wired in a fiberglass NEMA 4X enclosure 16" x 12" x 8" with see-thru door. Controllers and indicator lights mounted on swing-out door inside of cabinet. Price includes Two (2) ¼ DIN controllers, combination temperature/ humidity sensor, and 20 ft long sensor cable. Order I to P converters separately (below) if required.

**\$4,480**

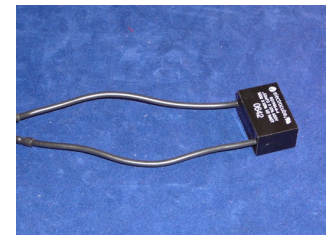

**CAT# IP-500**

I to P (current to pneumatic) transducers for operating 3-15 psi valve with the PCS-2000-MA control System. Specify Quantity – (at least 2 required).

**\$395**

**Model 1006-RC Snubber (order 1 additional snubber for each valve over 2)**

**\$22**

**Suggested 2000 series spare parts for the R (relay) Control System:**

- 1. Model V-2001-ST sensor/transmitter

**\$895**

- 2. Model 2600-F-R ¼ DIN relay output temp controller

**\$505**

- 3. Model 2600-RH-R ¼ DIN relay output rH controller

**\$505**

**Suggested 2000 series spare parts for the MA (milliamp) Control System:**

- 1. Model V-2001-ST sensor/transmitter

**\$895**

- 2. Model 2600-F-MA ¼ DIN 4-20 milliamp output temp controller

**\$580**

- 3. Model 2600-RH-MA 4-20 milliamp output rH controller

**\$580**

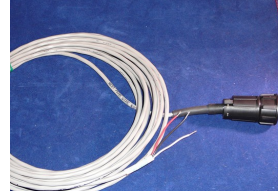

**Spare Parts List for PCS-2000 & PCS-3000 Series Proofer Control Systems**

**Model V-2001-ST** Combination Temperature/ RH sensor/ Transmitter with Teflon filter and mounting screws (replaces V-1001-ST and is interchangeable)

**\$895**

**Model V-1002-MS** 20 ft. long sensor cable  
Pre-wired connector at one end and stripped leads at the other (add \$1.20/ft for longer cables)

**\$95**

**Model P-207** 24VDC Din rail mounted Power Supply for driving transmitter

**\$90**

**Model 1008** Humidity Lock-Out Relay

**\$30**

**Model 1006-RC** Snubber

**\$25**

**Model IP-500** I to P Transducer

**\$395**

**Model P-64-B** 1.5" dial, 1/8" back NT, 0-30psi/0-210 kPA pressure gauge

**\$22.50**

**Model 2009-F** Filter Cap for V-2001-ST sensor (post 1999 style)

**\$40**

**Steam Solenoid Valves:**

1" Size	<b>Model 8220G7</b>	120VAC normally closed 50 psi max	<b>Call for Price</b>
1 1/4" Size	<b>Model 8220G9</b>	120VAC normally closed 50 psi max	<b>Call for Price</b>
1 1/2" Size	<b>Model 8220G11</b>	120VAC normally closed 50 psi max	<b>Call for Price</b>
2" Size	<b>Model 8220G13</b>	120VAC normally closed 50 psi max	<b>Call for Price</b>
2 1/2" Size	<b>Model 8220G15</b>	120VAC normally closed 50 psi max	<b>Call for Price</b>

**NOTE: Valve prices subject to change without notice!**

**Pneumatic Steam Valves Bronze & 316 S.S. Air to Open:**

<b>3/4" Size</b>	<b>Model 2001VA32-230</b>	3-15 PSI range <b>Bronze</b> body	<b>Call for Price</b>
<b>3/4" Size</b>	<b>Model 2001VA42-230</b>	3-15 PSI range <b>316 S.S.</b> body	<b>Call for Price</b>
<b>1" Size</b>	<b>Model 2002VA32-230</b>	3-15 PSI range <b>Bronze</b> body	<b>Call for Price</b>

**NOTE: Valve prices subject to change without notice!**

**Recorder and Supplies**

**Model 7000**

Two Pen circular chart recorder with one box of charts, one set of pens (1 red, 1 green), mounting brackets, and instruction manual.

**Call for Price**

**#GC-70578-24 hr** 1 Extra box of charts (100 charts to a box)

**\$48 / box**

**#6050-0401** 1 Extra pack of Green Pens (5 pens per pack)

**\$40 / pack**

**#6050-0402** 1 Extra pack of Red Pens (5 pens per pack)

**\$40 / pack**

**Probe style Dough Temperature Monitoring Systems**

**Model RTS-800 Thermocouple Dough Temperature Monitoring System** with 1/32 DIN, .1° F resolution digital LED temperature indicator featuring input correction & mounted in a 6" x 6" x 4" deep polycarbonate enclosure. Includes model RT-888 heavy duty temperature sensor .250" OD x 6" long with handle, 90° bend, 24" blue coiled cord (10ft when extended) secured to control box with S.S. wire rope tether.

**\$620**

**Spare Parts For RTS-800 & RTS-900 Dough Temp Systems (Probe style)**

**Cat# RT-888** Replacement heavy duty dough temperature sensor .250" OD x 6" long with handle, 90° bend, 24" blue coiled cord (10ft when extended) with S.S. wire rope tether and hardware for securing to control box.

**\$210**

**RT-602-6SST-LD** Replacement light duty cord temperature sensor .250" OD x 6" long with handle. (No 90° bend or tether)

**\$175**

**Cat# RT-888-BR** Bread temperature sensor, .125" OD x 4" long with handle, light duty blue coiled cable (10 ft when extended)

**\$185**

**NOTE: Other versions of temperature sensors can be made to your specifications and requirements. Tell us about your application at [sales@whcooke.com](mailto:sales@whcooke.com)**

**Model RT-811** 1/32nd DIN digital indicator for RTS-800 Dough System

**\$239**

**Model RT-911** 1/8th DIN digital indicator for RTS-900 Dough System

**\$199**

**Infrared (non-contact) style Dough Temperature Monitoring Systems**

**Model IRDTS-900 Infrared Dough Temperature Monitoring System**

Consisting of a non-contact infrared sensor, 20ft. cable, 1/8th DIN digital temperature indicator/ transmitter mounted in 9" x 7" 5" NEMA 4X enclosure

**Call for Price**

**Spare Parts for the IRDTS-800 (Infrared Non-Contact Systems):**

**Cat# DT-911** 1/8th DIN digital indicator for IRDTS-900 Infrared Dough System

**Call for Price**

**Cat# DT-922** Replacement Infrared Sensor for IRDTS-900 System

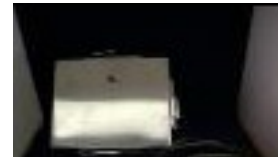

**Call for Price**

**Cat# DT-944** Spare Mounting Bracket for DTS-900 System sensor

**Call for Price**

**"Eternal Flame" Oven heater package for Kosher requirement**

**Model KCB-EF-100 "Eternal Flame"** Nema 4X 304 s.s. heater termination/control box 6" x 6" x 4" deep with circuit breaker, current transformer for heater lead, LED through door indicator, keypad lock and 120 VAC line cord.

**\$385**

**Model EF -** Eternal flame cartridge heater 5/8" x 10", 250W, 120V, hot tip, 7" cold end, 74" standard temp leads, R/A header w/ 72" of ssob Flange A = 1/4".

**\$173.50**

**Model FIT-5/16-12** optional stainless steel compression fitting for mounting EF heater

**\$40**
